

Flags can only be ordered to be flown at half staff by the President or Governor. The proclamation will indicate how long the flags should be flown at half-staff. There are dates on which we always fly the flags at half-staff as noted below. The flag is flown at half-staff for the whole day except on Memorial Day when it is lowered from Sunrise to Noon. In addition, half-staff proclamations can be issued for deaths of prominent US government, state or local officials, military personnel, civil-service individuals or foreign dignitaries.

Scheduled Half Staff days:

- 5/15/21 Peace Officers Memorial Day
- 5/31/21 Memorial Day
- 9/11/21 Patriot's Day
- 10/3/21 Firefighter's Memorial Day
- 12/7/21 Pearl Harbor Day
